What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria. At least five millions of homes are made without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved or diarrhea checked. A vegetable purgative, a baby remedy meant for you, folks. Castoria is about the only thing you ever heard doctors advise giving to infants. Stranger medicines are dangerous to a tiny baby. How ever harmless they may be to grown-ups. Good old Castoria! Remember the name and remember to buy it. It may spare you a sleepless anxious night. It is always ready, always safe to use in emergencies or for everyday ailments. Any hour of the day or night, that baby becomes fretful or restless. Castoria was never more popular with mothers than it is today. Every drug store has it.

THERE IS A DIFFERENCE IN GASOLINE

SOHIO, introduced last July
has made this fact apparent to
thousands of motorists

SOHIO'S special qualities hold no mystery..
they are the logical result of the most modern
equipment and expert care

THE belief that all gasolines are pretty much alike has been a common assumption. Many motorists have bought gasoline on a convenience basis—stopping at this or that pump when more fuel was required—rather than buying a specific brand on its merits.

This is not surprising, since there are no simple tests for gasoline quality which the layman can apply. He can not readily study or interpret the various specifications under which gasoline is refined.

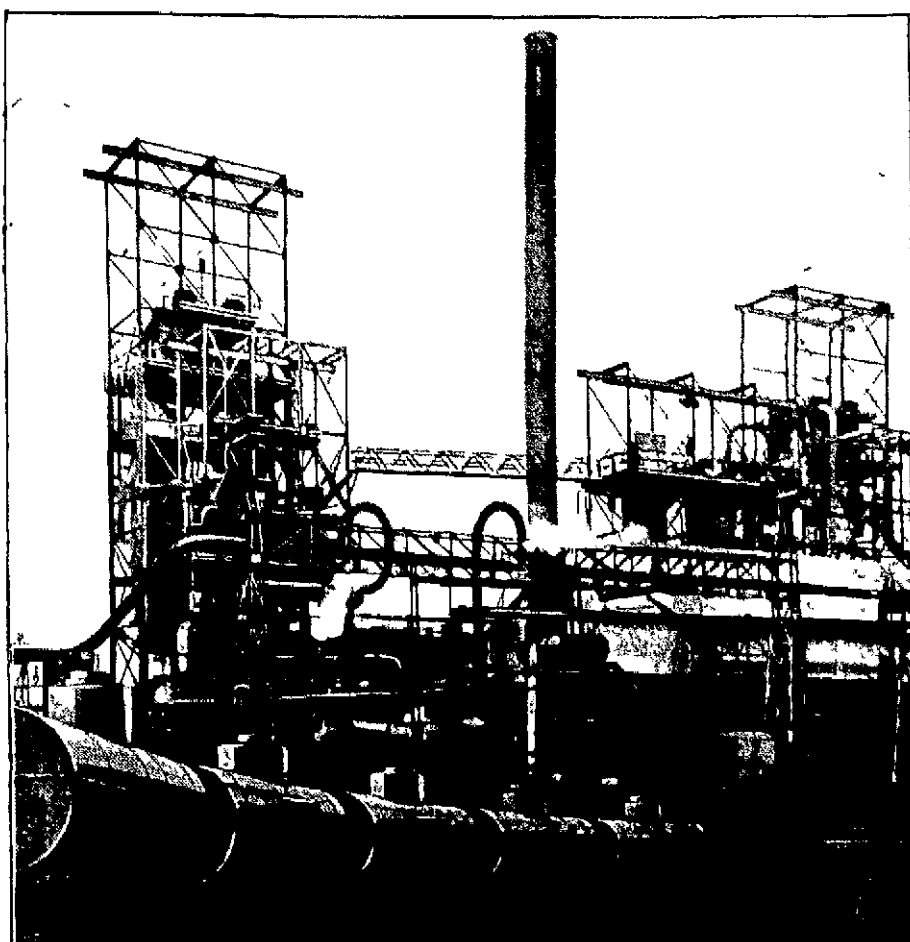

There are many good gasolines on the market, yet there are differences in quality. Unless a fuel is so definitely superior to others that the difference in mileage, power and quick starting is apparent in the car how can the motorist judge of gasoline quality?

When High-Test Sohio Ethyl Gasoline was first introduced last July, it quickly changed this conception of motor fuel which so many motorists had held. For as people tried it they found that the difference was apparent in the car. They were not merely satisfied—they were enthusiastic. Men who had paid no particular attention to gasoline began to make tests of Sohio. They noted increased mileage, more power on favorite hills and, as cold weather came along, the prompt response to the starter. They noted special anti-knock qualities. They found that the slight extra cost of Sohio over popular priced gasoline was largely absorbed by increased mileage and greater all-around satisfaction.

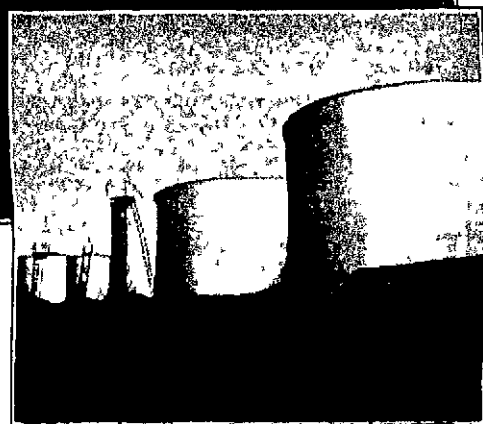

Sales have mounted fast. Millions of gallons of Sohio Ethyl Gasoline have been sold in the last eight months. An additional refining unit for the manufacture of this special gasoline is now nearing completion.

There IS a difference in Sohio Ethyl Gasoline—a difference now recognized by tens of thousands of Ohio motorists. Yet its special qualities hold no secret nor are they due to any unusual formula. Rather they are the logical result of the more modern equipment which we have installed, the generally higher standards under which we produce Sohio and the great care with which a loyal and enthusiastic army of Sohio people, 1500 strong, safeguards its making and delivery into your tank.

Filling tank cars at Cleveland refinery with Sohio Ethyl gasoline. After each car is filled seals are applied to the filling dome which remains sealed until the car reaches its destination.

Hundreds of these familiar red Standard tank trucks deliver Sohio daily to service stations and dealers everywhere. It is the personal responsibility of each driver to deliver Sohio in the same pure condition in which it leaves the refinery.

Sohio storage tanks at Cleveland. Here this new, high-test motor fuel is stored to await transportation to the more than 700 Red White and Blue Standard service stations and thousands of dealers who are ready to serve your car with Sohio in every corner of the state.

More than likely you are using Sohio gasoline now. If not, try it today. Fill your tank and test it in your own way:

- 1 Put it in a car that knocks
- 2 Use it in high-compression motors
- 3 Check your mileage
- 4 Test it for power on hills
- 5 Watch your oil dilution
- 6 Note its starting qualities

RED CROWN GASOLINE—The same standards of care and uniformity also control the manufacture and distribution of Red Crown. We make Red Crown ourselves, in the same great plants that produce Sohio, because our customers are educated to a better grade of fuel than ordinary motor gasolines such as we might buy in the open market.

The report of this is that there was no moon at all. The moon had been by her appearing as you have imagined and of course has thought it possible that the moon was one surrounded by a fire which broke up and precipitated upon the moon in the form of meteoric rain. The hundreds of raining meteors that put a surface on the moon were instead of a gloaming or a day much confidence in this theory.

MARION, March 21—The senate committee today con- sidered the Sullivan bill, which would increase the state gasoline tax to four cents from three cents per gallon. The bill was introduced by Representative Sullivan of Marion county. The measure featured a session of the committee last night.

Although the bill is a popular measure, it was opposed by a vote of 10 to 8 at a hearing last night. The committee today voted the bill, but it will be killed. Instead of providing revenue for the state, the bill would increase the gasoline tax, which is a popular measure. The bill was introduced by Representative Sullivan of Marion county. The measure featured a session of the committee last night.

EAGLES COMPLETE MEMORIAL PLANS

Akron Man To Be Speaker
at Annual Services Here
March 31

Final arrangements for the annual memorial service of Buckeye Aerie No. 132, Fraternal Order of Eagles, were completed at the weekly meeting of the lodge last night. The service will be held Sunday afternoon, March 31, in the Eagles lodge rooms. The speaker for the services will be Joseph P. Thomas, well-known Akron attorney and past president of Akron Aerie. Music for the services will be furnished by McNally's concert orchestra and the Eagles band. Vocal numbers will also be given by the lodge quartet. V. B. Bush will fill the president's chair at the services. Frank Eaton, the past president's chair, John P. Lusch, chairman's chair, and John Abel the secretary's chair.

It was also decided last night that the local lodge would take an active part in the statewide memorial campaign that is being conducted by the Eagles. The drive started yesterday in some sections of the state and will continue until June 30. A meeting to lay plans for the drive in Marion county will be held two weeks from last night at the regular meeting of Buckeye Aerie.

Series of Papers Read Before Local Society Members

"A Study of Tobacco and Cigarettes," was the topic of the discussion led by Mrs. Mary Jennings, county president of the W. C. T. U. when the Frances Willard union met yesterday afternoon with Mrs. Jacob Loudenslager, 655 North Main st. A paper on "The Reasons I Would Give My Youngest Brother for Leaving Cigarettes Alone," was given by Mrs. Milo Lewis, followed by a paper on "Toll the World That It Is Not Inherent With True Greatness To Drink or Smoke," by Mrs. George Orlans. Mrs. Addison Bain gave a reading, "Some Queer Old Rules," after which Mrs. J. W. Van Meter closed the program with a paper, "The Cigarette Advertisements."

At a business session, it was decided that the union complete its payment of dues by June 1. Frances Willard Union will join the Lillian Stevens union in an institute April 9. The afternoon meeting will be at home of Mrs. Addison Bain, 152 Wallace st. and in the afternoon, with Mrs. H. O. Toms, 266 South State st. The regular meeting will be held with Mrs. Ethel L. Neal, 904 East Church st.

VETERAN EMPLOYEE OF HUBER CO. DIES
Leo Schoechle, Sr., Claimed at Detroit; Funeral To Be Here
Leo Schoechle, Sr., former employee of the Huber Manufacturing Co., passed away yesterday in a Detroit, Mich., hospital after a two months illness of diabetes. Mr. Schoechle, who spent most of his life in this city, lived in Detroit the last two years in the German Protestant church home. He retired from work with the Huber company in 1922, after a period of service that had extended over 40 years. He spent the next few years with his children here and then moved to Detroit.

The body will be brought to Marion for funeral services and burial. It is expected to arrive in this city about 4:30 o'clock this afternoon. Services will probably be held Saturday afternoon, although arrangements are not complete.

He was born in Baden, Germany, on July 15, 1882. His parents both died while Mr. Schoechle was a boy. He married Miss Elizabeth Rothfuss in Baden and in 1883 they moved to this city. Mrs. Schoechle preceded her husband in death 12 years ago.

Mr. Schoechle was a member of the First M. E. church in Marion and of Salem Evangelical church.

He is survived by two children, Mrs. Edward Rathell, 400 Main ave., and Leo Schoechle, Jr., Windsor st., four grandchildren, Mrs. P. H. Drake, East Center st., Joe Rathell, at home, and George and Jean Schoechle, at home. A daughter preceded him in death in 1924 and a son in 1896.

Pity the Man "On a Diet"
Just To Look at a Good Appetizing New England Boiled Dinner Raises a Riot in His Poor Dilapidated Stomach.
When certain kinds of food upset your stomach and cause indigestion, sourness, gas and general misery, who blames yourself for going "on a diet?"

We've not tried to rebuild your broken down stomach—why not make your weak stomach as strong and vigorous that it will be able to digest and assimilate even the heartiest food?

You've probably tried a lot of "reverses" that help for an hour or so and then leave your stomach in as bad a condition as ever.

Why not try the sensible plan of taking a remedy that not only brings almost instant relief, but has the power to tone up your disabled stomach and put it in such a clean and splendid condition that it will soon be able to digest anything you eat, without a particle of distress?

Such a medicine is Dr. J. C. Mentha's Laxative, a pleasant, palatable elixir that Bradley's Drug Store and up to date druggists anywhere in America are perfectly willing to sell on a basis of money back if it doesn't give the fullest measure of satisfaction.—Adv.

Outstanding Teacher

RETIREMENT of Dr. Frank Tubbs as an instructor at Marion college, reported in last night's issue of The Star, recalls to Marion teachers and high school pupils of about a quarter of a century ago one of the most capable faculty members ever in service here.

Dr. Tubbs was a scholar in every sense of the word. He delved to the bottom of subjects and was never satisfied with a superficial understanding of his studies. In addition he possessed in an exceptional degree the ability to impart his knowledge to others.

Garden Fever

MARION'S garden brigade is preparing to get into action as the first spring sowers make their appearance. In fact, there are already evidences of activity in many yards around the city and the click of garden hoses and rakes can be heard almost every day that weather is favorable.

Local citizens well versed in gardening are guarding against too much enthusiasm in early planting, however. They come forward with the reminder that the weatherman is a decidedly fickle and tricky individual at this season of the year and has a tendency to undo the best-laid plans of amateur tillers of the soil.

No Substitute

ALTHOUGH management and methods in public school work have undergone a change with the passing of years, just the same as changes have taken place in other affairs, no substitute has ever been found for some forms of punishing unruly students, according to the

views of some educational authorities. "A good, old-fashioned spanking is still necessary in exceptional cases in the public schools," J. J. Richardson, superintendent at Youngstown, recently informed an assembly of school principals there. He is of the opinion, however, that the spanking should take place in the presence of one or more witnesses.

Spankings are still included in the program of discipline in Marion schools, but not on as general a scale as in years gone by, when this form of punishment was vigorously applied with few restrictions or limitations. There was a time when all pupils, young and old and of both sexes, were amenable to this penalty for misbehavior. And as a rule, the only witnesses were the teacher wielding the rod and the unwilling target of attack.

... stop this nuisance

Forever!

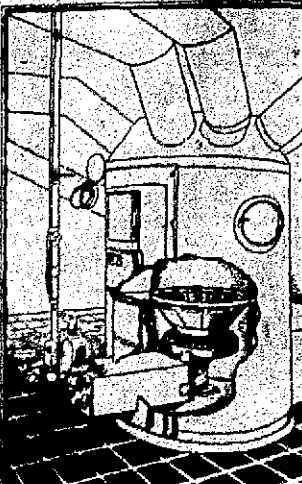

WHILE planning the annual Spring house-cleaning, this is the logical time to eliminate the cause of the greater part of the dirt and to end forever the nuisance of ashes, smoke, soot and grime.

This can be done by installing now a Gas Home Heating Unit. Gas heat is THE clean heat, for gas is THE clean fuel. With a Gas Home Heating Unit in your home your furniture and draperies will stay bright and clean, and your carpets and rugs will retain their freshness—because there will be no soot, dust nor greasy film created by the heating plant to mar the appearance and shorten the lives of your house furnishings.

INSTALL NOW!

In addition to the cleanliness which it assures, the Gas Home Heating Unit will eliminate the up-and-down temperatures in your home, because it has full automatic temperature control. At this season, when it is hard to regulate the heating plant to meet the demands of more or less mild and uncertain weather conditions, users of the Gas Home Heating Unit find it especially convenient and practical, as well as in colder weather. Let us explain further about this labor-saving, comfort-producing device which can be installed in your furnace or under a boiler, converting either into a complete gas-fired, automatically-controlled heating plant.

WALDO LUTHERANS, SHOVEL WIN GAMES

CLASS A AMATEUR TOURNAMENT OPENS

United Brethren and Marion Lutheran Quintets Eliminated in First Round, College Hi-Y Contest Features Tonight's Cage Bill at Y. M. C. A.

RESULTS LAST NIGHT	GAMES TONIGHT
Waldo Lutherans vs. Marion	Class A Division
United Brethren vs. Marion	Class B Division
Steam Shovel vs. United	Class C Division
Brothers vs. United	Class D Division

WALDO LUTHERANS took early victory in the Marion Lutheran tournament. The Marion Lutheran quintet, which has been the champion of the Marion County Amateur basketball tournament for the past two years, was defeated by the Waldo Lutherans in the first round of the tournament. The game was played at the Y. M. C. A. and was a close contest. The Waldo Lutherans won by a score of 20-18.

VICTORY PLACES WALDO AMONG FAVORITES

SECRETARY, Marion forward, was the only player on the losing team to show in the cage. He scored seven field goals. Ben Smith, forward, scored six points. Last night's victory makes the Waldo quintet more than an even bet to get into the high finishers of the tournament. Friday night they meet the Standard Oil boys in the second round, which will be a very hotly contested game. Better save your money on this game because one team couldn't be given a fourth pick's margin over the other.

SHOVEL QUINTET WINS VIA FOUL ROUTE

In the other battle last night, the Steam Shovel quintet took the game for the simple reason that they could shoot fouls better than the Brothers. The team from the Shovel won by a score of 20-10. The Brothers' team was defeated by a score of 10-20. The game was played at the Y. M. C. A. and was a very one-sided contest. The Steam Shovel team was very hot in the cage and the Brothers' team was very cold.

REMAINING FIRST ROUND GAMES TONIGHT

Both teams had to personally call on them and failure to do so in an hour of time on the 21st is a forfeit. The game will be played at the Y. M. C. A. and will be a very hotly contested game. The game will be played at the Y. M. C. A. and will be a very hotly contested game. The game will be played at the Y. M. C. A. and will be a very hotly contested game.

HI-Y TEAM MADE UP OF HARDING STARS

HI-Y is practically the Harding high school varsity with the exception of Dick McAninch and Carvill, while the collegians boast such stars as Bob London, Walt Merchant, Harold Litter and John Gamble. This game will start at 7:30 o'clock with the 3 ladies. St. Mary's Alumni list the following: 15 minutes later. This battle should also be a toss up, although nothing much is known concerning the lineup of the Irish outside of the fact that several of last year's St. Mary's high school stars are playing with the "reds". Buddy Compton and Dewey Boyer will handle the games tonight while Francis Bacon, who was in charge last night, will handle the semi-finals and finals of Class A.

EXPECTS BUGS TO FINISH IN THICK OF NATIONAL SCRAP

Looks for Paul Waner Back in Lineup Soon, Sheely Good

BY CHARLES J. DONNELLY
SAN FRANCISCO, March 21.—Paul Waner, who was expected to be back in the lineup of the Pirates, is still out of the game. The Pirates' manager, Fred Clarke, expects Waner to be back in the lineup soon. Waner has been out of the game for some time due to a leg injury. The Pirates' lineup is expected to be strong when Waner returns. The Pirates are currently in the thick of the National League scrap.

WRIGHT WORRIES FANS

BUSH meantime is going along with the development of his club. When Wright left the Pirates and went to Brooklyn in exchange for Lefty Pelis and Harry Wendelken, it was expected in Pittsburgh over the night. It was pointed out that Wright, besides being one of the best shortstops in the league, was a marquis of the club's offensive. Bush thinks he will be a big find around.

TRAYNOR LOOKS GOOD

BUSH has seen little of Traynor as a shortstop, but he has seen him enough at first base. More over, Traynor, who has played shortstop for Birmingham of the Southern League, was regarded in that city as a marquis. He has many boosters on the National League wheel who

Yale men decide which is best cigarette..

[Reproduced from the Yale News, Jan. 25, 1929]

OLD GOLD CIGARETTES WIN FIRST IN TESTS AT YALE

In the recent cigarette test made at the University, Old Golds were chosen by the students as the best. The cigarettes were masked by black labels so that the names of the brands were concealed. Each label was numbered. This was judged to be the most sporting way of testing the merits of the four leading brands. Some 208 Yale students were asked to smoke the four disguised brands without knowing their identity.

They were merely to choose, by number, the one that was most appealing to the taste.

The News supervised the test on January 18 at various fraternity houses and in the News office.

When the votes were recorded it was discovered that Old Gold (Cigarette No. 3) had won. Old Gold was given 63 first choices, which was 11 per cent ahead of Cigarette No. 2, 34 per cent ahead of Cigarette No. 1, and 53 per cent ahead of Cigarette No. 4.

DESTINY WILL SEND DAVIS CUP TO U. S.

At Least That Is What Jean Borotra Thinks, America's Man Power Will Soon Overcome France's Few
He Says in Interview

By DAVIS J. WASH
NEW YORK, March 21.—(U. S. P. M.)—Jean Borotra, the French tennis player who has won the Davis Cup four times, said today that he believed the United States would win the trophy this year.

"I think the Americans will win," he said. "They have a lot of good players, and they are very strong. I think they will win."

Borotra, who is 35 years old, has won the Davis Cup in 1923, 1924, 1925 and 1926. He is the only French player to have won the trophy four times.

He said that he believed the United States would win this year because they have a lot of good players, and they are very strong. He said that he believed the United States would win this year because they have a lot of good players, and they are very strong.

WALL STREET PICKS CUBS, YANKS TO WIN

Odds on Chicago Team 11-10, New York Even Money

NEW YORK, March 21.—(U. S. P. M.)—The National League baseball season is expected to get under way in a few days, and the odds on the teams to win the championship are being set.

The odds on the Chicago Cubs to win the championship are 11-10, and the odds on the New York Yankees are even money.

The odds on the St. Louis Cardinals are 5-1, and the odds on the Boston Braves are 10-1.

HUGGINS SMILES AT IDEA OF "ANCIENT" YANKS

SOME of the old-time players of the New York Yankees are so old that they are called "ancient" Yanks.

But Huggins, who is 40 years old, is not one of them. He is a young man, and he is smiling at the idea of being called an "ancient" Yankee.

"I am not an ancient Yankee," he said. "I am a young man, and I am smiling at the idea of being called an 'ancient' Yankee."

FORMER STARS OF BALLOOM NEAR OBLIVION

THE long long trails that wind from fields of major league conflict toward the shadows and oblivion are cluttered just now with the names of former stars of the game.

And behind them looms the specter of oblivion. The names of the former stars of the game are being forgotten, and they are near oblivion.

FREDDY LINDSTROM AS "THE WRECKER"

DOWN in San Antonio early in the morning, Freddy Lindstrom, the first baseman of the Giants, was called "The Wrecker."

He was called "The Wrecker" because he was a powerful player, and he was a wrecker of the opposition.

Four Girls Motherless After
Domestic Tragedy in Cleve-
land Home

CLEVELAND, Mar. 21—Four sisters were motherless today as the result of a domestic tragedy last night when their father shot his divorced wife and later to kill himself by throwing himself in the path of a railroad train.

John Debut, 31 last night went to the home of Mrs. Mar Debut, who divorced him a week ago. Mrs. Debut's four daughters by a first marriage, Mary, Sarah, 17, Julia, 11, Jennie, 13 and Elsie, 11, were present.

When the divorced pair began quarrel, Jennie and Rose left to inform police. While the other two looked on in horror, Debut drew a pistol shot and mortally wounded Mrs. Debut, and then turned the gun on himself.
